DOLLARS FOR DONATIONS APPLICATION

Lakewinds Natural Foods is committed to contributing to our community. One of the ways we give back is through our Dollars for Donation program. This program allows customers to make monetary donations to an organization at the register when they shop.

Primary consideration for the Dollars for Donation program is given to organizations that are centered on addressing poverty, hunger and health issues in the communities also served by Lakewinds.

Lakewinds sponsors one organization per quarter and cannot guarantee how much money will be raised during the course of the sponsorship. An organization can be granted the Dollars for Donation program once in a calendar year.
